

Transparent Language® Online for Libraries

Transform your community into global citizens.

Empower learners to explore a new language at the library, at home, or on the go using any Internet-connected device. **Available in 110+ languages, including ESL**, learners have the flexibility they need to learn a new language anytime, anywhere.

Features users love in the most complete language-learning system for libraries

- ✓ **110+ languages (and growing!):**
From Afrikaans to Zulu, the number of languages available to learners is constantly growing.
- ✓ **Alphabet lessons:**
You can't learn to read or write if you don't know the alphabet. Get learners started on the right foot with our Alphabet course.
- ✓ **Flexible learning path:**
Learners can follow our plan or explore their own. The choice is theirs.
- ✓ **Extensive English collection:**
With paired English materials for speakers of 30+ languages, intermediate- and advanced-level courses, an American Citizenship Test Prep course, and more, we have the tools for every English learner.
- ✓ **25+ learning activities:**
Interactive learning activities encourage learners to practice all four modalities: listening, speaking, reading, and typing.
- ✓ **Focus on a specific skill:**
Listening, speaking, reading, and writing are all part of the language puzzle. Learners can pick any skills-based learning activity, select their desired vocabulary, and instantly launch a custom lesson.
- ✓ **Learn on the go:**
At the library, at home, and everywhere in between, access to lessons is possible on almost any device, including full-feature mobile apps for iOS and Android™ tablets and phones.
